ISSUE DATE : August 14, 2007
INVENTOR(S) : Grunow, David W. et al

It is certified that an error appears or errors appear in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

Claim 9, Column 9, Line 2, between "when" and "portable" insert --the--.

Column 9, Lines 24-40, Claim 11 should read:

--11. The system of claim 10, comprising:

a substantially planar bottom section, wherein the pair of moveable rear latches and the pair of moveable front latches are affixed to the bottom section, wherein the pair of moveable rear latches and the pair of moveable front latches are aligned substantially perpendicular to the bottom section;

a substantially planar top section being operative to receive a bottom section of the portable device for docking, wherein the top section includes openings for the pair of moveable rear latches and the pair of moveable front latches to permit latching on to corresponding matching slots of the portable device when docked, wherein the docking causes the pair of alignment pins included in the top section to mate with the corresponding notches; and

wherein at least one of the side sections includes a release latch operable to undock the portable device.--

Claim 18, Column 10, Line 24, delete "of" and insert --on--.
